Highlights

Managed Access Services Department for Murphy Library at UW-La Crosse, supervising 4 full-time staff and over 30 students, while providing Reference services and teaching Information Literacy, especially in Music History and College Writing courses.

Played major role in developing and leading an Information Commons program for the Butler University libraries, training and working directly with student employees.

Adapted and integrated new technologies to improve Reference Services.

Education

M.M. in Music Composition, 2008-2010

Butler University, Indianapolis, IN

Thesis Composition: "The Memory of Persistence" for Wind Ensemble

Honors: graduated summa cum laude

Completed Coursework and Comprehensive Exams toward

Ph.D. in Education (ABD) - Instructional Design for Online Learning, 2000-2004

Capella University, Minneapolis, MN

M.L.S. in Library Science, 1993-1994

Indiana University, Bloomington, IN

Areas of Concentration: Reference Services, Technology

B.M. in Music Theory & Composition, 1985-1990

Cornerstone University, Grand Rapids, MI

Honors: graduated cum laude

Employment Experience

2017 - present

Access Services Librarian, Assistant Professor

University of Wisconsin, La Crosse – Murphy Library, La Crosse, WI

- Manage all circulation, reserves, stacks maintenance, and interlibrary loan/document delivery functions (ILL/DD) in the library
- Play an active role in public service activities, including reference and instruction
- Supervise and oversee schedules for four full-time staff
- Use LibGuides and Canvas to communicate with and train Circulation student workers
- Teach information literacy and research skills to students in the Music program and College Writing classes
- Participate in library faculty committees

2012 - 2016

Multimedia Librarian

Youngstown State University – Maag Library, Youngstown, OH

- Managed the Multimedia Center, overseeing one full-time staff member and six student assistants
- Brought many innovations to the Multimedia Center, including using social media to promote the Center and its services and materials
- Collaborated with faculty from the College of Creative Arts & Communication to display student art and design projects in the Multimedia Center
- Collaborated with external organizations to create a Community Events corner where patrons can browse pamphlets about upcoming local arts events
- Designed training program for student assistants to improve their skills and knowledge
- Served an average of 8-9 hours per week at the Maag Library Reference Desk and occasionally was responsible for email reference through "Ask A Librarian"
- Taught Information Literacy and Research Skills to freshman "foundation" classes and upper-level research/writing classes
- Supported university faculty in the Dana School of Music and the College of Creative Arts & Communication
- Created many LibGuides to support the research and instruction of students and faculty

2014 - 2015

Interim Supervisor for Reference Student Assistants

Youngstown State University – Maag Library, Youngstown, OH

- Created weekly Reference Desk schedules for librarians
- Created and maintained schedules for student assistants during school semesters and breaks
- Supervised and trained student assistants on helping patrons with basic research, customer service, shelf reading, and supporting Mac and PC computer use
- Used LibGuides to communicate with and train the students

2005 - 2012

Information Commons & Technology Librarian, Assistant Professor

Butler University - Irwin Library, Indianapolis, IN

- Co-managed the Information Commons program, hiring, training, and managing student employees
- Innovated Reference services in all venues (in-person, email, phone, and IM)
- Presented talks at local and regional library conferences on the topics of technology and innovation
- Taught Information Literacy and Research Skills to First Year Seminar classes and upper-level research/writing classes
- Organized training program and curriculum for library staff, focusing on technology use and web design
- Wrote and distributed monthly InfoQuicks handouts to inform faculty about various library services
- Supported university faculty in the departments of Philosophy & Religion and Modern Languages, Literatures, & Cultures
- Purchased, assessed, and withdrew materials for reference collection and these same subject areas
- Organized the annual Celebration of Scholarship & Creative Activity every year from 2006 to 2012
- Designed and supervised the installation of a computer lab in the library
- Maintained library website and led website redesign team

2003 - 2005

Adjunct Faculty, Teacher Education Dept.

Cornerstone University, Grand Rapids, MI

- Wrote, developed, and taught "Technology in the Classroom" course for Master of Arts in Education program
- Taught currently practicing K-12 teachers various educational uses of technologies
- Integrated technology throughout the course

2000 - 2005

Director of Technology Education, faculty rank

Cornerstone University, Grand Rapids, MI

- Developed training program to teach faculty how to integrate technology into their teaching
- Trained students, faculty, and staff on various technologies
- Evaluated, implemented, and administered online learning platforms
- Managed departmental budget
- Designed and maintained regular technology-related newsletter for faculty
- Developed program to match student technology specialists with faculty projects

1997 - 2000

Public Services Librarian, faculty rank

Cornerstone University - Miller Library, Grand Rapids, MI

- Coordinated public services, including reference, circulation, and instruction
- Developed, designed, maintained, and converted the first library web site
- Coordinated group instructional services for students and faculty of all levels
- Purchased materials for reference collection and specific subject area collections
- Ordered and cataloged new purchases of music materials

1996 - 1997

Training Specialist

Landmark Staffing Resources, Appleton, WI

- Trained client company employees on various software programs
- Learned new (sometimes obscure) software in order to teach it
- Taught basic and advanced classes to all levels of personnel, from temporary employees to CEOs

Courses and Certifications

- Alma Administrator Certification Course. Certificate earned on November 28, 2017
- Copyright for Educators & Librarians - by Duke University, Emory University & The University of North Carolina at Chapel Hill on Coursera. Certificate earned on May 9, 2017
